

Action Plan 2021

TOOWOOMBA
together Health Focus Group

We exist to eliminate relationship-based violence in our community

● Report on progress due

Focus Area	Action	Criteria for Success/ Key Performance Indicators	April	May	June	July	Aug	Sept	Oct	Nov	Dec
Leadership	Stay informed and updated each meeting on projects others are doing in this space (information sharing only)	<ul style="list-style-type: none"> At least one guest presentation per focus group meeting on relevant DV related issues Report on Focus Group activities presented to the Toowoomba Together monthly Management Committee meeting. 	●	●	●	●	●	●	●	●	●
	Hear guest presentations about DV related topics										
Events and Information	Put together events to educate the community about DV's impact on health	At least one health related DV event for Toowoomba Together is organised annually		●						●	
		Create a media campaign to highlight local statistics on front page of The Chronicle (similar to previous public health campaigns like reducing road fatalities)	●		●		●		●		●
	Provide a space for both perpetrators and victims to talk about the gaps they are experiencing when accessing services in the community	At least two perpetrator/victim talks to be held annually with the Focus Group	●			●			●		
	Ensure there is a cultural lens when dealing with DV	Engage with CALD communities to find out their needs	●		●		●		●		●
	Stay informed with the latest data	Group updated on the key DV stats and trends		●		●		●		●	
Projects	Implementing new projects (i.e. this group applies for grants and implements the projects).	At least one health related DV project is implemented annually			●						●
		Reach out to other groups around Qld to see what they are doing to replicate in Toowoomba		●		●		●		●	
		A register of current health and DV projects across Toowoomba is developed, maintained and updated at each meeting	●	●	●	●	●	●	●	●	●

Our Goals

Increase awareness about DV

Be a learning network

Empower victims

Support perpetrators by highlighting pathways for help

Reduce DV

Create a better informed and accepting local society
